

MISSION STATEMENT

The Niagara Frontier Volleyball Club was established to expand Junior Olympic Volleyball in the WNY region by offering a greater opportunity for competitive play and an enhanced volleyball training experience. Niagara Frontier Volleyball believes that every child should be offered the opportunity to develop skills that will enable them to excel and compete successfully at the interscholastic, regional and/or national level of youth volleyball.

COACHES COMMENTS ABOUT NFVB...

"The facilities at the Buffalo Niagara Court Center in West Seneca are among the finest I have seen. Couple this with the excellent instruction the athletes are receiving and it is no wonder that Niagara Frontier is a premier volleyball club." - *Glen Conley, Kent State, DI Head Coach*

"Thanks for your hospitality on my visit to Buffalo to watch practice last week. I enjoyed watching your entire club train. The practice was one of the most organized and efficient club practices I have attended in over 20 years of coaching. Each athlete received the maximum number of repetitions, and clearly had a great understanding of the game and what is expected of them. It is very obvious why your club is turning out great volleyball players." - *Pete Hoyer, North Carolina State University, DI Head Coach*
