Attention coaches and parents of girls interested in learning the game of volleyball! Come join the junior peppers program this fall. This new program is affiliated with the Niagara Frontier Volleyball Club which is based out of The Buffalo Niagara Courts Center (BNCC) in West Seneca, N. Y.

The program involves the coach (which could be a parent wanting to learn how to teach the game to kids) attending a free coaches clinic Monday August 30th 6-8pm at the BNCC. The clinic will be run by Niagara Frontier coaches Kathy Neelon and Robin Shifflet, Participants will receive an instructional packet geared toward coaching youth volleyball. The coach will then take the knowledge, drills and skills learned at the clinic and prepare their players for a tournament Saturday October 30th at the Buffalo Niagara Courts Center. Coaches may also bring their teams to a free players clinic before the tournament to practice at the BNCC later in September at a date to be announced.
